GREENWICH ALUMNUS EXCELLENCE AWARD 2010

Dear Alumnus:

It is not necessary for me to introduce the importance of an Alumnus. He carries with him the core importance of his connection with his Alma Mater. You are our Alumni, as such, we are obliged to keep you informed of the vitally important activities of your Alma Mater – Greenwich University.

The decision, worth taking note of, is that at the forthcoming convocation one Greenwich Graduate will be selected on the basis of his / her professional performance and achievements. This award has over the years been a prestigious honor for our Alumni. Its worth has increased because of your participation.

This year also it will be awarded to one of our Alumni. We would welcome your participation and would request you to encourage other Alumni to participate in this competition.
